

The School of Arts and Culture at MHP requires for the food to be served during any event be provided by a fully licensed food caterer.

You can choose from one of the below pre-approved caterers or use a restaurant or catering company of your choice (unapproved caterer).

Unapproved caterers must complete the required application and provide the School of Arts and Culture at MHP with all the required documentation no later than 30 days from the date of the event. **The person renting the venue will also be asked to pay a catering buy-out fee of \$3.00 per guest being served.**
